Front

1. Turn the protective work cover, so that you face its back side
2. Open the cover around its Velcro tape and unfold it
3. While unfolded, make sure the square belt edges lie towards the center

4. Turn the inflatable lifejacket, so that you face its back side
5. Place the lifejacket on the open protective cover
6. Pass the unfolded cover side through the lifejacket's center

7. Open the square left belt edge of the cover
8. Place it under the center of the belt
9. Then pass it around the lifejacket's left belt holder (under the belt)

10. Close the cover's belt edge & secure the lifejacket's belt holder

11. Repeat the procedure with the right square belt edge of the cover

12. Close the cover around the lifejacket, using the cover's peripheral velcro tape

13. Once the protective work cover is properly adjusted, the life-jacket is ready for use
